- To carry out regional consultations within the framework of the three networks to build the next steps based on experience.
- To promote and to help in the development of missionary congresses and conferences in local churches, denominations or national movements.
- To create written and audiovisual tools in order to increase the technical knowledge of the different areas of the missionary process.

2. Projection to the unreached peoples. AUE (Adopt a Ethne)

Pray for:

- To support, to spread and to promote the new missions map where all the world's "windows" of need are included.
- To distribute and to promote the research's results where there are more than 3000 unreached peoples to adopt.
- To develop leadership for the AUE (Spanish acronym for Adopt a Ethne) program in each one of the national missionary movements.
- To give regional and national lectures on the unreached.
- To develop stages two and three from COMIBAM III Process to determine models and working ways from Ibero-America to the unreached.
- To support the development of ETHNE, the world program to reach peoples.

3. Missiological Development. Leadership development

Pray for:

- To form a committee of missiologists to support and give incentive to the movement's missiological reflection.
- To create and to distribute an Ibero-American missiological bulletin.
- To prepare and to carry out an Ibero-American missiological consultation.
- To publish at least two books with a strong missiological emphasis.
- To establish the basis for the future development of an Ibero-American missiologists network.

- To create a contingent of promoters in the area of Bible translation and second language command.
- To offer training workshops for strategic alliances instructors.
- To give incentive and to support the growth of an intercessors force at an Ibero-American level to support the missionary work.
- To offer workshops and training courses for advisors and people involved in the pastoral care for the missionary.
- To publish and to distribute written and electronic materials.

4. Global connection and cooperation

Pray for:

- To increase communication and effort with other missionary forces of the majority world.
- To keep communication and cooperation with global missionary movements. South-North and South-South.
- To develop strategic alliances with other missionary forces to carry out research projects or analysis of models and any other matter of mutual interest.
- To share with the global missionary movement the results of the first stage of the COMIBAM III Process research.

Thank you so much for every thing,
